There shall be no signs or other external advertising anywhere on the lot or any structure or anywhere else in Gunbarrel Green. Such plans shall include plot plans showing the location on the lot or property of the wall, fence, or other structure proposed

In order to avoid unnecessary hardships, it is mandatory that all lot owners contemplating such construction, or alteration, as mentioned above, should submit preliminary drawings in duplicate of such work to The Architectural Committee in order to obtain tentative action thereon before causing the preparation of detailed or complete drawings, plans or specifications, or incurring substantial expense in that regard. A service charge established by The Architectural Committee not in excess of \$50.00 shall be paid by the owner to said committee. One set of preliminary plans shall be retained by the Architectural Committee. The Committee shall have the right to disapprove any plans, specifications or details submitted to it as aforesaid in event such plans, specifications and details are not in accordance with all of the provisions of the declaration, if the design or color scheme of the proposed building or other structure is not in harmony with the general surroundings of such lot or with the adjacent buildings or structures, if the plans and specifications submitted are incomplete, or in the event the Committee deems the plans, specification or details or any part thereof to be contrary to the spirit or intent of these conditions and restrictions, or contrary to the interest, welfare or rights of all or any part of the real property subject hereto, or the owners thereof, or of the adjacent property owners, all in the sole and uncontrolled discretion of the Committee. The decision of the Committee shall be final. Neither the undersigned nor any architect or agent of the undersigned nor any member of the committee shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing, nor for any structural or other defects in any work done according to such plans or such specifications.
